

Success in School: Making the Connection Between Mental Health and Academic Learning

**Friday, April 29
9:00am to 2:30pm**

Sobrato Community Conference Center
330 Twin Dolphin Dr, Redwood City

Registration Fee: \$50

Third Annual Education Conference

*San Mateo County School Boards Association,
San Mateo County Office of Education
in partnership with Acknowledge Alliance*

KEY SPEAKERS

Steven Adelsheim, MD, FAACAP

Director of the Center for Youth Mental Health and Wellbeing, Stanford University

Dr. Adelsheim is a child/adolescent psychiatrist who supports behavioral health collaborative efforts globally. His school-based early detection programs include interventions for depression, anxiety, and early symptoms of psychosis.

Ross Greene, PhD

Founder and Director of Lives in the Balance

Dr. Greene is author of *Lost at School* and *The Explosive Child* and consults with families, general and special education schools, inpatient and residential facilities, and systems of juvenile detention.

Vicky Zakrzewski, PhD

Education Director at Greater Good Science Center/UC Berkeley

Dr. Zakrzewski is an author and consultant providing science-based approaches for promoting the social and emotional well-being of students, teachers, and administrators, as well as methods for creating positive school cultures.
