County Superintendent Update to SMCSBA

Nancy Magee, County Superintendent

June 4, 2020
County Superintendent/SMCSBA
June 4, 2020 Agenda

- County Updates
- Pandemic Recovery Framework Rollout
- COVID-19 Partnership Fund
- Equity – driven leadership at SMCOE
Today’s Revised SIP

• Restaurants
  Restaurants and other food facilities that were previously licensed to provide sit-down food service may provide outdoor, sit-down meals by working with local agencies to ensure compliance with local laws, regulations, and permitting requirements. Restaurants and other businesses (like retail) wishing to operate in the public right of way must also work with their governing jurisdiction on any additional requirements needed to support community safety.
Framework Toolkit

Guidance for:
- Early Learning – Special Populations – Human Resources – Mental Health Support

Education and Training:
- Planning Teams – Administrators – Teachers and Staff – Students – Community

WEBINAR TRAININGS IN MOTION
Plan for Health Orders

- Focus on the Four Pillars
- Stable Cohort & Bubble Cohort
- SMCOE is Technical Assistance Provider
- Addresses Early Learning and Before & After School Providers
- Will Apply to All Schools in SMC
Pandemic Recovery Framework for Schools

EQUITY

• Begin by
  • identifying students with the most urgent learning needs and then building the Return to School Plan in a way that unequivocally meets these needs.

• Use this pandemic recovery
  • to innovate how education is delivered and to shape policies and procedures to explicitly support students who may have been previously underserved or have significant needs.
SMCOE Response to Systemic Racism in our Systems

---

Statement on Racism and Injustice

The San Mateo County Superintendent of Schools and the San Mateo County Board of Education stand with our county, state, and nation in grieving the recent tragic killing of George Floyd, a Black man in Minnesota, in addition to the thousands of others who have been killed in like manner. We are compelled to confront the racism and injustice that threatens the American dream for so many. Despite the additional challenges of leading through the COVID-19 pandemic, we must stand up, speak out, take action, and fight for a better world for our children.

---

San Mateo County Superintendent of Schools Nancy Magee and San Mateo Board of Education President Hector Camacho, Jr. have released a statement on racism and injustice in light of current events. Click the link at right to read more.
Socio-Political Factors Moving Forward in Schools

**NOW IS** the time to make systemic change

*What does this mean in your district?*

*What policies might need examination?*
COVID-19 Education Partnership
Supporting the Response and Recovery Needs of San Mateo County Students and Schools

The COVID-19 pandemic and subsequent shelter-in-place orders are having a significant impact on students and their families, affecting their ability to continue learning, access food, and manage stress. School districts require additional assistance as they work to provide needed distance learning, nutritional, mental health, and other support to students and their families.

The Silicon Valley Community Foundation, in partnership with the San Mateo County and Santa Clara County Offices of Education, has established the COVID-19 Education Partnership to expand the local capacity of school districts to address the extraordinary educational and mental health needs of students as efficiently as possible.

The Education Partnership will provide funding to school districts to help them address immediate challenges and long-term recovery efforts related to COVID-19, including:
